A path toward self-sufficiency

## Help make a difference!

Join us at our November 13, 2018 fundraiser dinner

Poised For Success is honored to assist some amazing women with their own story or situation; whether it's being a veteran having served our country and transitioning to the civilian workforce, a domestic violence survivor or a single mom. What they share is a desire to be self-sufficient through employment. As a free and personalized service, PFS provides beautiful clothing for their clients while ensuring they leave with amazing outfits that inspires a high level of self-confidence and self-worth and empowers them to take on and overcome the challenges ahead.

As a self-funded charitable nonprofit, PFS relies on community contributions and a strong base of volunteers to keep its doors open and continue to deliver its unique services to women in need. Here are some easy and enjoyable ways for you to help make a huge difference in the lives of some special women.

- Be a sponsor at the annual dinner
- Gather your friends, colleague or neighbors and purchase a table of 8 or 10
- Purchase an extra ticket and treat a friend
- Make a financial donation

No matter what you select, you will be making a difference in lives of women who just need a supportive hand to get back on their feet and on the path to self-sufficiency and financial independence.

*Thank you!*

*Always reach for your goals in your  
highest heels, which is good for your "sole"*
